MEMORANDUM FOR:

THROUGH :

SUBJECT :

Physical Examinations for [] Air
Crew Personnel

1. Initial Agency physicals were performed on above pilots, co-pilots, and air-crew members 18 months ago and they are now being scheduled for re-examination (less the initial psychiatric survey).

2.

- has definite appointment
- " " "
- will accept appointment after 6 February 1970

[] has a hearing impairment which requires a specialist consultation. On two occasions there has been a verbal agreement to have this accomplished but there has been no follow-up. It is essential that he obtain this consultation and submit the report to the Medical Staff. (It is not foreseen that he will be grounded because of this problem.)

25X1 [redacted] has informed [redacted] and
the undersigned that he refuses to submit to
further Agency physical examinations.

3. We wish to assure you that the Medical Department
has been and will continue to be most flexible in scheduling
these examinations as it is understood that the small number
of pilots makes such scheduling most difficult.
